

GOLDROAD
RESOURCES

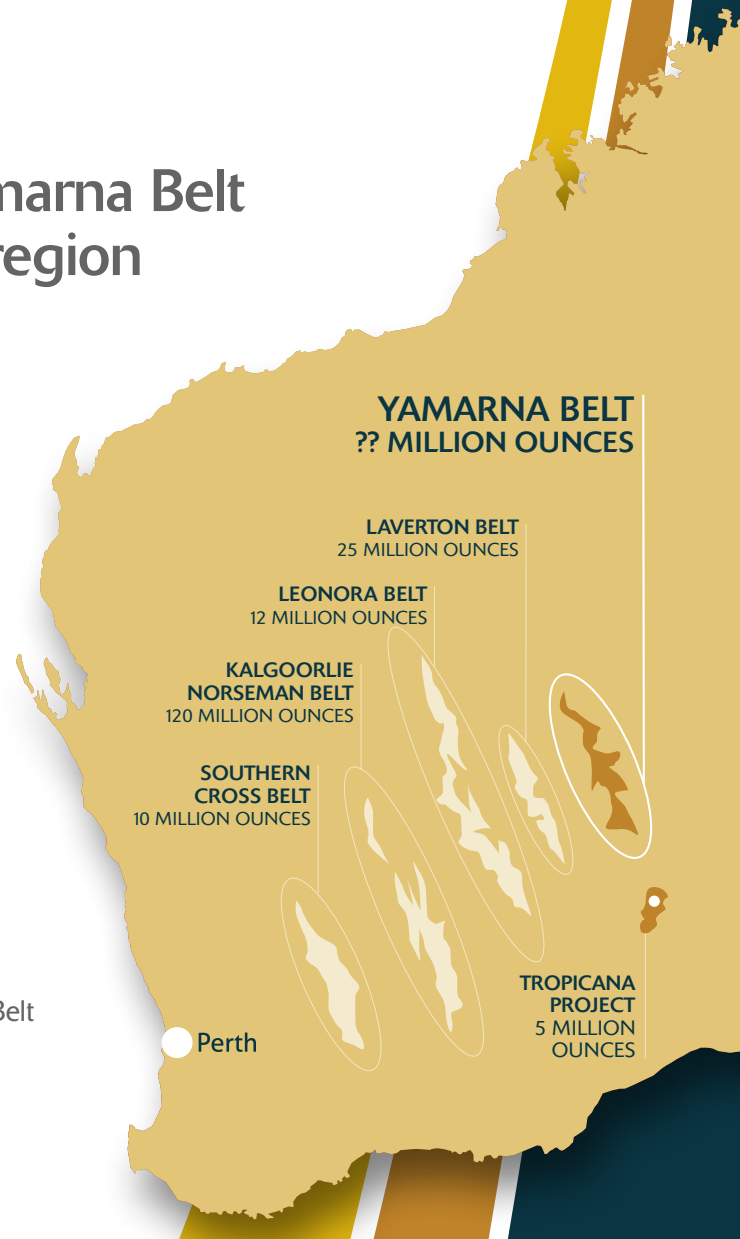

Gold Road's 100% owned Yamarna Belt is Australia's major new gold region

Yamarna Belt Fast Facts:

- **Eight** separate gold projects discovered **so far** on the Yamarna Belt
- **Four** new **high-grade** gold projects found in last 15 months alone – with **less than 1%** of ground holding explored so far
- Grades up to **845g/t** Au with some mineralisation from **surface**
- Aggressive ongoing **drilling program** is intercepting **abundant** and **multiple visible** gold intervals
- Gold Road has **100% ownership** of the entire Yamarna Belt, covering **over 5000km²**
- Yamarna Belt is **historically under-explored** and in a region highly prospective for gold
- Focussed on **fast-tracking exploration** of the Yamarna Belt
